Mayfield is a large special school based over two sites in Handsworth & Lozells which will be joining the Education Impact Academy Trust in 2020. We educate children and young adults between the ages of 2 -19 years who have a diverse range of learning needs. Our ASC pupils are based at our Heathfield Road site and our SLD and PMLD pupils are based at our Wheeler Street site, in a unique setting on a shared site with Lozells Primary and Holte Secondary schools. Both buildings have purpose built facilities to cater for the 301 pupils we currently have on roll.

The school is preparing for an exciting new chapter and are seeking to appoint outstanding teachers to our full time vacancies within our SLD and ASC departments.

The successful candidates will be experienced and outstanding classroom practitioners with a passion for teaching and a proven track record. Candidates will be able to inspire and engage our pupils and will be keen to join our committed staff team on our journey to becoming an outstanding school.

Previous experience of working with SLD and/or ASC pupils with behavioural elements, and a desire to work with pupils with a range of learning needs is essential. NQT's are welcome to apply.

Mayfield School is committed to safeguarding and promoting the welfare of children and young people and expects all employees and volunteers to share this commitment. An enhanced DBS check will be required for successful applicants.
