

Home Learning Activities – W/C 1st of June 2020

Dear Parent

I hope you are well and are safe.

SUMMER PACK

Summer is here! We have now launched our summer pack of learning opportunities for your child. You can choose what activities you carry out. Just in case if you have not got the Summer pack you can get the activities from your child's evidence for learning portal and here is a direct link to the whole summer pack:

<http://www.mayfield.bham.sch.uk/wp-content/uploads/2020/05/Summer-Pack.pdf>

We have put together lots of lovely ideas in the summer pack for you to do at home. Here are some ideas from our summer pack:

- Try painting an underwater scene using your hands or feet
- Listen to the summer music jukebox and have fun playing with objects
- Make, taste and smell (as appropriate) some summer ice cream
- Take part in the summer sensory story
- Explore and find objects in a sand tray
- Take part in the massage story 'I love summer'.

If at all possible, please could you send any photos or film by either upload them to the portal. We can then put them into your child's learning journey. We would love to see them!

WE ARE HERE TO HELP

If you are having any problems in completing activities, please let either your child's keyworker or myself know. We are here to help you as much as possible. Please remember at this time to not put too much pressure on yourself and the most important thing is to carry on having fun with your child.

EVIDENCE FOR LEARNING

If you have not accessed the Evidence for Learning portal, please let me know and I will send you out a link. Here you can access your child's learning portfolio with films, videos of your child learning. On this portal you can also find activities for your child, documents and plans about their learning and an upload section. I have also placed your children's target's and physio plans online.

We look forward to hopefully seeing you again soon.

Take care
Martin, Marie and Navjot
Class: EXP 1
