Get Real Curriculum

Mayfield School have a brand new curriculum which is very relevant to each of our children. September will be first time we introduce it. We are all very excited about using it!

There are four strands we'll be working on:

Functional Skills (Maths, Science, IT)

Physical Development & Wellbeing

English & Communication

Social & Emotional Development & Wellbeing

These will be taught in a foundation stage style with some work trays and some structured play based learning. Your child will receive personalised learning using the new curriculum.
