

# Welcome to W5.1

My name is Sarah and I will be your child's teacher this academic year. I started working at Mayfield School in 2013 so this will be by eighth year here.

I am 14-19 lead and very lucky to work alongside an amazing team of people to help to equip our young people with the skills they need for the next part of their life.

Our class is called W5.1 and we are based at our Wheeler Street Site.

Your child will receive support with their learning from Loretta and Marjorie.

## Learning pathway

Your child will follow a pathway that is unique to them. We will look at their journey throughout Key Stage 4, and where they would like to be at post-19 and beyond. We will then provide them with opportunities and experiences that will support them to reach their next destination.

## CEO Day

All young people in Key Stage 5 have a 4-day per week timetable. The day they are not required to attend school is called a Career Experience Opportunity Day. Your child's CEO day will be on a Thursday. During this time we encourage you to support your child to participate in a form of work experience/ community activity ahead of their transition to college where they will undertake an increased amount of work-related learning prior to employment.
