

## Home Learning Activities – W/C 28th of September 2020

Dear Parent

I hope you continue to be well and are safe.

### Autumn Pack

At school we are now in learning about the season of autumn. We have put together an Autumn home learning pack with lots of fun activities in for you to do at home with your child. As usual, you can choose what activities you carry out. If you have not got the Autumn pack you can get the activities from your child's evidence for learning portal and here is a direct link to the whole summer pack:

<http://www.mayfield.bham.sch.uk/wp-content/uploads/2020/09/Autumn-Pac.pdf>

We have put together lots of lovely ideas in the summer pack for you to do at home. Here are some ideas from our autumn pack:

- Do some marbling with shaving foam and Autumn colours; explore and then make a print
- Have fun singing some autumn songs based on popular nursery rhymes
- Make some hedge hog rolls
- Take part and listen to the Autumn sensory experience
- Have a dance with the Autumn movement playlist

If at all possible, please could you send any photos or film by either upload them to the portal. We can then put them into your child's learning journey. We would love to see them!

### WE ARE HERE TO HELP

If you are having any problems in completing activities, please let either your child's keyworker or myself know. We are here to help you as much as possible.

### EVIDENCE FOR LEARNING

If you have not accessed the Evidence for Learning portal, please let me know and I will send you out a link. Here you can access your child's learning portfolio with films, videos of your child learning. On this portal you can also find activities for your child, documents and plans about their learning and an upload section. I have also placed your children's target's and physio plans online.

We look forward to seeing you again soon.

Take care, Martin, Kulwinder and Navjot
