

Home Learning Activities – W/C 18th of May

Dear Parent

I hope you are well and are safe.

EVIDENCE FOR LEARNING

If you have not accessed the Evidence for Learning portal, please let me know and I will send you out a link. Here you can access your child's learning portfolio with films, videos of your child learning. On this portal you can also find activities for your child, documents and plans about their learning and an upload section. I have also placed your children's target's and physio plans online.

SPRING PACK

Thank you for completing some of the activities that we have provided as part of the Spring Pack. You can choose what activities you carry out. Just in case if you have not got the Spring pack here is a link:

<http://www.mayfield.bham.sch.uk/wp-content/uploads/2020/04/Spring-Pack-2.pdf>

Have you done the following activities? Here are some ideas from our spring pack:

- Try finger printing with **cherry blossom art**
- Have fun singing the song '**Making the fire**' (to the tune of 'in the jungle' and '**around the fire**' to the tune of 'row, row your boat').
- Make a mess and eat the **no bake cookies – Gruffalo paws**
- Explore the objects and listen to the **spring sensory story**
- Make some **cloud dough** for your child to explore
- Try doing the **old McDonald** massage story

If at all possible, please could you send any photos or film by either upload them to the portal. We can then put them into your child's learning journey. We would love to see them!

WE ARE HERE TO HELP

If you are having any problems in completing activities, please let either your child's keyworker or myself know. We are here to help you as much as possible. Please remember at this time to not put too much pressure on yourself and the most important thing is to carry on having fun with your child.

After this week it will be half term. We look forward to hopefully seeing you again soon.

Take care
Martin, Marie and Navjot
Class: EXP 1
